this is student life . . .

Student life is many things to many people. It is a **life of excitement:** choosing a Homecoming Queen, beating Tecumseh in football and basketball, being elected a class officer, and attending a victory dance. It can be **a time to get involved:** building a float, participating in a club project, redecorating the student lounge, and going to Winter Carnival. To many it's **a freedom to decide:** choosing a college and classes to take, and electing a President and Vice-President for Student Council. Student life may be all of this and more.

1970

The A.H.S. football team under a new head coach, Ken Calhoun, saw a new kind of season. Although the Maples did not have a winning season, their overall record of 3 wins to 6 losses was an improvement over last years 1 win, 2 ties, and 6 losses record. The climax of the season was the last game of the year when the Varsity team beat the Tecumseh Indians 12-0.

The 1970 Varsity Cross Country team finished fifth in the South Central Conference meet with a total of 120 points and finished fourth in the Conference overall. In the words of Coach Bill Hammerstein, "Injuries were the only handicap that this team's pride, confidence and hard work were unable to overcome." The team and coach voted Ric Thompson as most valuable runner and John and Wes Miller as most improved runners. The Varsity team will be losing three harriers next year but when asked about next year's season Coach Hammerstein replied, "Several underclassmen have had considerable experience and if this is coupled with hard work we will be in the running."

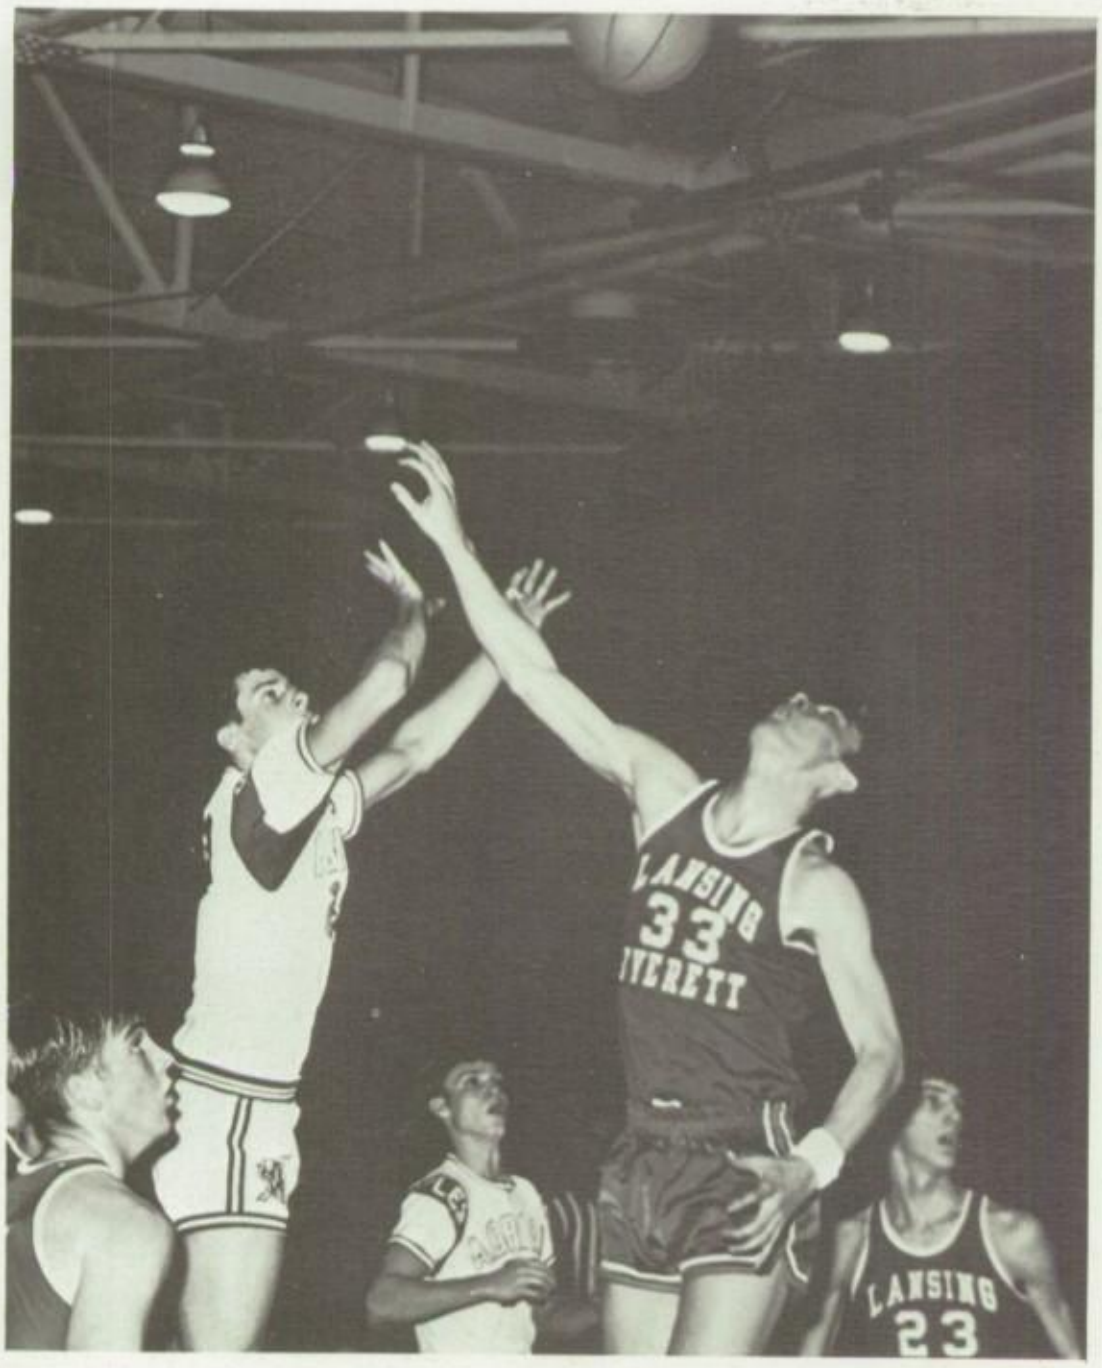
Basketball 1970 - 71



Jewel Threet pushes the ball away from an Everett player in a jump ball.

After so many years of Adrian Basketball in which teams have done poorly, everyone thought that this would be the year when Adrian High would come out of the basement and make a name for itself as a respectable basketball power. The players looked over the people who would probably go out for the team, and they saw that they had the ability and potential to win. They spent close to 6 weeks running to get in shape (at least everyone who isn't out for football). Three weeks before the first game they started practicing two and a half hours a day, 5 days a week. Two weeks before the first game the football players turned basketball players and started practice. Some of these people didn't come out and some who were already out quit. This fact plus a broken ankle cut them down to twelve people and turned ankles took it down to ten.

During Thanksgiving vacation the team practiced twice to prepare for the first game. The team felt that they had a good chance of winning. Then they got beaten by 20 some points. Well, the team knew they would have to work harder and get ready for their second game. This time they were beaten by 38 points. During the course of a year the team also ran into a four game losing streak, and they wondered if this year was going to be any different than other years. It was not easy to keep working every week while still continuing to lose. A team can almost fall into the habit of losing. This years' seniors hope that next year's team, under Mr. Judson's coaching can come up with a winning season, something that Adrian has waited for a long time.

Mr. Judson talks of a new play at Maple practice.

Varsity and J.V. Wrestling 1970 - 71

Adding several trophies to the trophy case proved that the 1970-71 Maple wrestlers were a very exciting team. Captain Dave Chesher, along with Tom Gonzales, Monte Guiterres and Rich Calvin were big winners for the grapplers. Other steady performers throughout the year were Greg McLeod, Keith Smith, Randy Barnes and Vance Smith, Rich Rodriguez was the only freshman on varsity this year.

The Junior Varsity wrestlers had a fine year and should bring a solid group to the varsity for the 1971-72 season. The strong point of the J.V.'s was team balance.

The Freshmen wrestlers were an aggressive and enthusiastic group. While not finishing the season with an outstanding win-loss record, their progress has been remarkable.

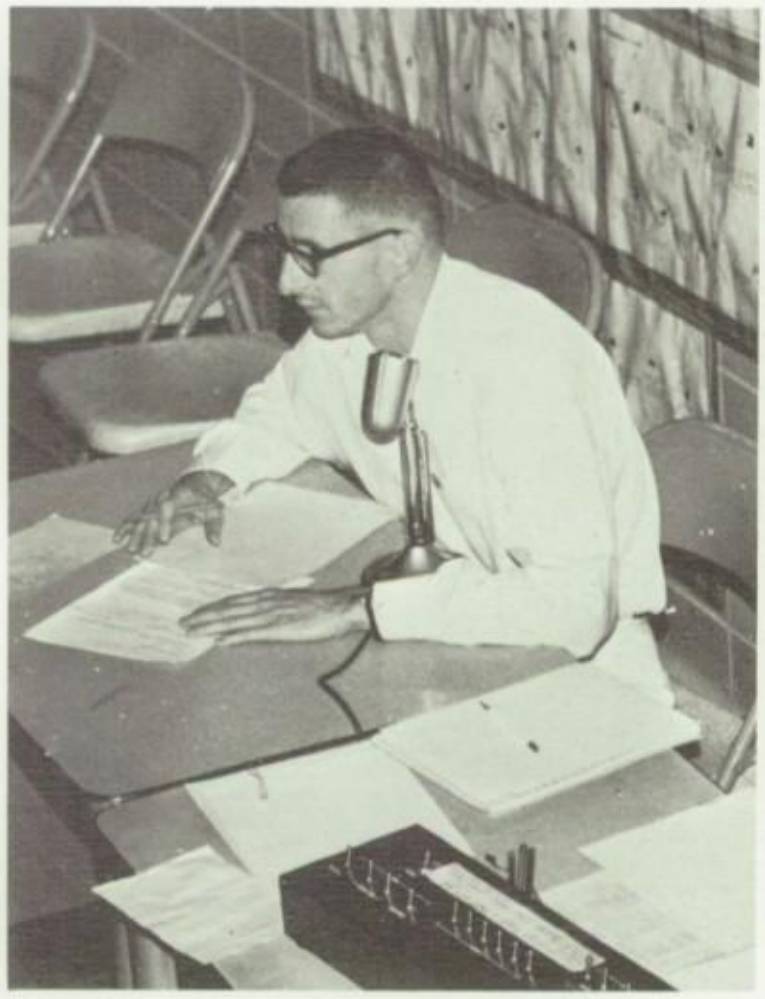
swimming 1970 - 71

Co - captains Mike Clark and Mike Faulhaber.



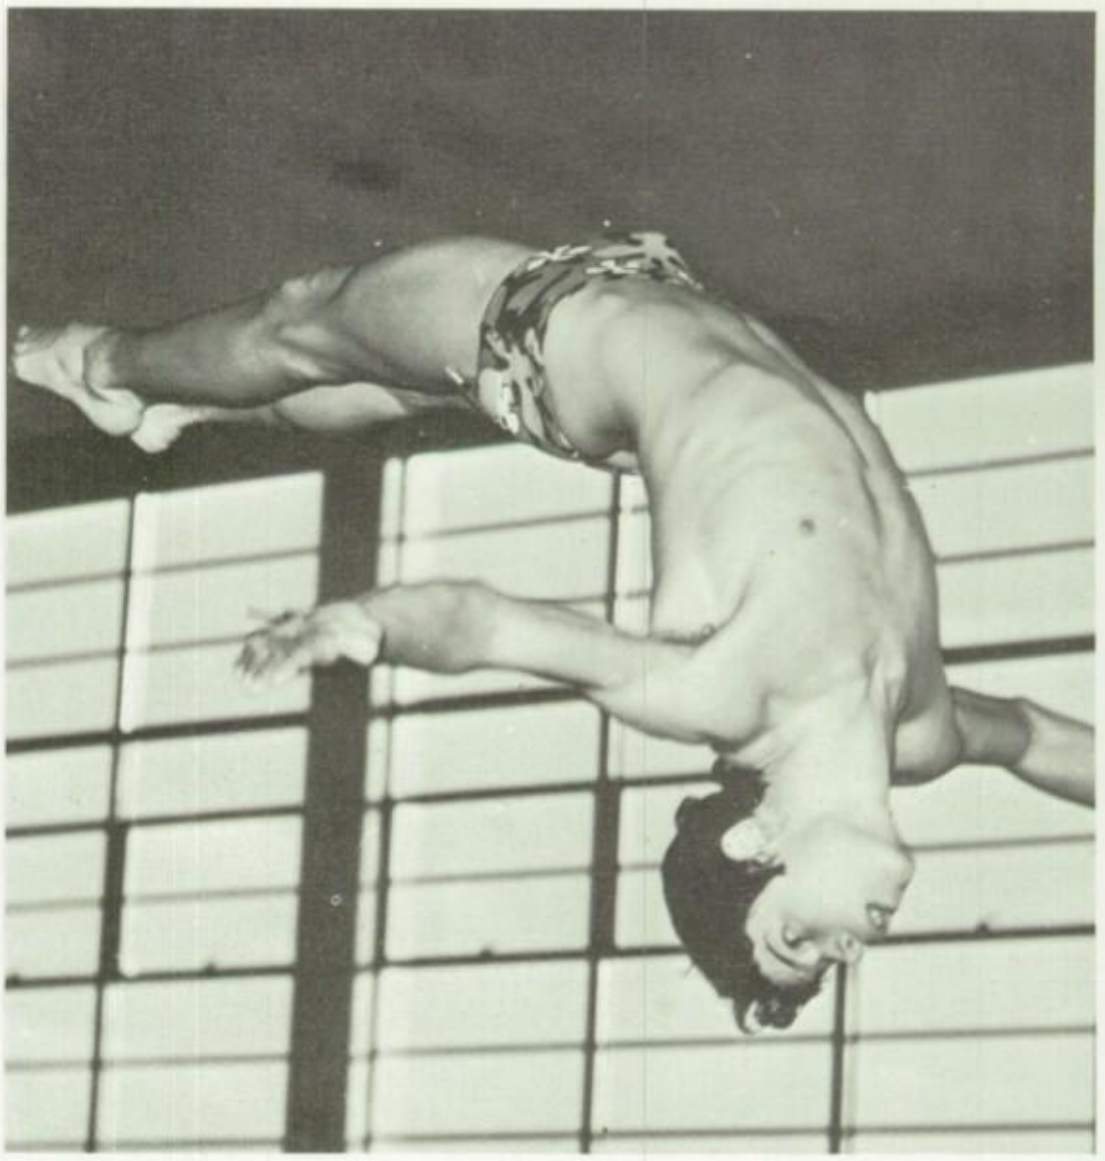
Assistant Coach Pullen keeps statistics at one of the home swim meets.

This year's varsity swim team got off to one of its better starts as all the hard work paid off in a number of consecutive wins. Leading the "redeyes" to victories were senior co-captains Mike Faulhaber and Mike Clark. Additional leading performers were seniors Dave Verlinich, Rick Smith, Scott Sinclair, Hogne Moe, Tom Reynolds and John Fox. Winning firsts in the one meter diving was senior Dan Peshke.

Looking into the future, there will be quite a bit of action. Top junior swimmers are Dunc Patterson, Rick Clift, Allen Warren and Bob Suydam. These boys were selected as improved swimmers and will be carrying much of the weight on the coming year's team.

There were a comparatively good number of sophomore swimmers who performed commendably and should be a representative group of swimmers by the time they reach the junior-senior status. Also in this group was the fine "crop" of divers who did an excellent job.

"After doing and giving everything possible, the Adrian Maple Swimming team has made Adrian proud of this group of fine young men."



Brad Wakefield executes a good dive.

it with you"

Nan and Duke present a fine performance in the role of lovers.

Chuck practices being a grandfather.

This years All School Play was under the direction of Miss Spacht and student director, Laurie Hamerman. The play was about a family, the Vanderhofs, who wanted to get the most out of living. The father made firecrackers with the help of Mr. DePinna. The mother wrote novels just because a typewriter was accidently delivered to their home eight years ago; the grandfather one day decided not to work any more; Alice, the youngest daughter, was the only "normal" person, but she loved her family even the way they were. She was also in love with Tony Kirby.

Tony's family was "normal", but was it a happy family? His father worked hard for what he had, while Mrs. Kirby did nothing. Tony decided to introduce the families, and it ended in chaos.

The cast made it a very enjoyable evening and reminded us that after all, "You Can't Take It With You."

Senior class play

"Ah, Wilderness" was the play the Seniors chose to perform. This play portrayed the life of a family, the Millers, in which one of the sons, Richard, searches for his inner self. Richard is in love with Muriel, whose father was opposed to their relationship. So, to spite her father and his family, Richard agreed to meet his friend Wint and double with two girls quite a bit more mature than the two guys. After he returned home, and slept off his drunkeness, he realized how much he loved Muriel. He received a letter from her asking him to meet her at a designated spot. The ending was a happy one, in which everyone involved decided it was best for Richard and Muriel to be together.

Mr. Renfro directed this year's play, and the seniors worked very hard to make it the success it was.

Joan Pirie and Dave Robichaud help on construction of the set.

1971 pool show

the doll-fin gazette

The 1970-71 Pool show, "The Doll-fin Gazette," was presented on March 31 and April 1st and 2nd. Making front page news was an earthquake performed by Marcia Kuster. Also making a solo appearance was Penny Freligh who portrayed an old lady in "Backward Glances." Wedding Bell rang for Nancy Hurlbut and Randy Knauss, after which death bells tolled for Shirley Vallade and Sue McCartney.

The Senior special was on astrology; their second number was a square dance. The Juniors forecasted the weather while the Sophomores took advantage of it on a Hawaiian Vacation.

On the entertainment page, the Sharks swam to a burlesque. An editorial made up of a duet was swum to "Let It Be."

One of the highlights of the show was a twelve man chain dolphin. The comic strip came alive as a trio portrayed Donald Duck. "The Doll-fin Gazette" was a sell out.

Waddling through the comics were Merri-Jo Bales, Robyn Sapiro and Lora Clift.

Unicyclers, batons twirlers, and singers made up a few of the acts in the 1970 Band Variety show, "All the World's A Stage." Lighting, such as strobe lights, and the music added to the enjoyment of the show. It was a chance for some to perform and a chance for many to enjoy it.

Everyone Enjoys Winter Carnival

Vickie Ernst was this year's chairman of Winter Carnival.

Winter Carnival was Adrian High School's big Winter happening. This year it was held on February 20 from 8:00 a.m. when booths were built until 12:00 midnight when the Snowball Dance ended. Just before the Carnival started, the Winter Olympics were held. The four classes had teams of ten compete in races such as the snowshoe race. Then down in the gym, there were auctions and booths where everyone tried his luck at winning a prize or dunking a Varsity "A" member. Later, it was home to get ready for the Snow Ball, a semi-formal dance. The Garden provided the music, and one of the band members announced the queen and king. Miss Pat Moorehead and Jim Cole were the royal couple and reigned over the rest of the dance. Vickie Ernst was chairman of this year's carnival. All in all, this year's Winter happening was quite a memorable occasion!

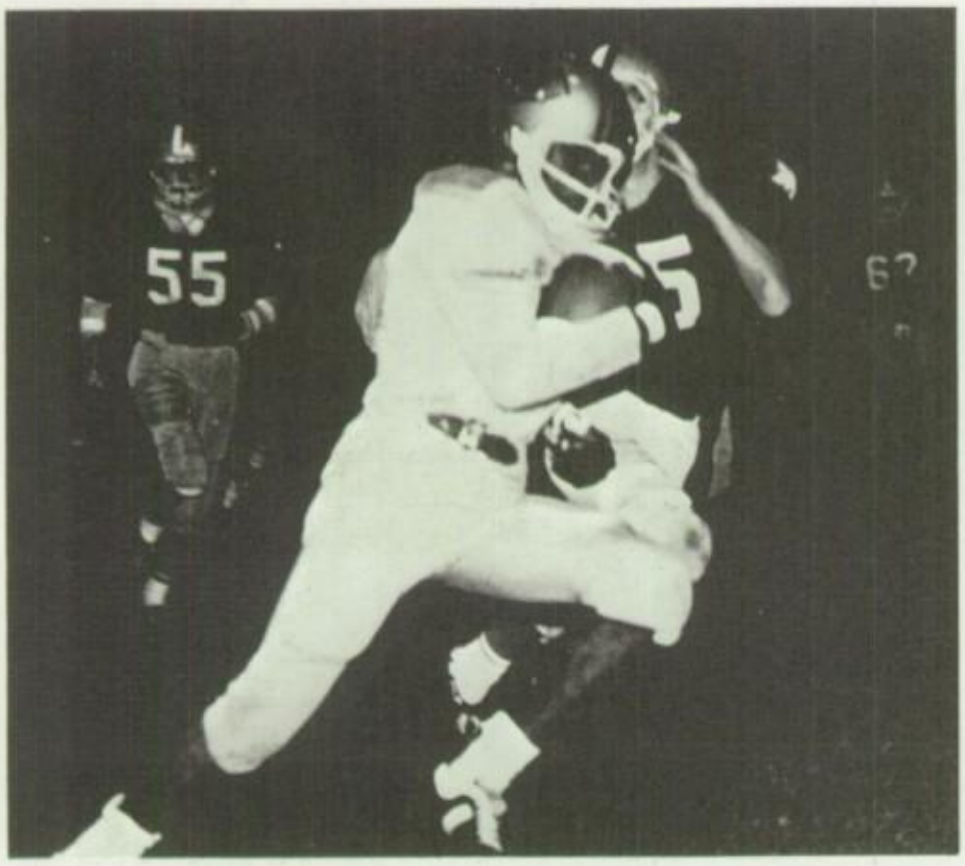
homecoming day - something

The Homecoming breakfast is a new tradition which may be carried on through more Homecomings.



The Maples came alive, giving us a 22-6 victory, the first win of the season.

The boy cheerleaders need a little practice.

old and something new

All the kids enjoyed the free donuts and orange juice.

Homecoming, 1970, represented many changes for the Adrian High students. The Homecoming breakfast, something new for Adrian, started a half-hour before school. While the band provided entertainment, the football players and the girls on the court were special guests. Everyone enjoyed the free donuts and orange juice. Later in the day, a pep assembly featured boy cheerleaders. The Spirit Jug went to the juniors. Mike Krzys announced the winning floats, built by the four classes and the various clubs. As the parade proceeded toward Maple Stadium, the cloudburst, which doesn't seem to be new, made traveling rather difficult, but the procession finally reached the Stadium.

At 8:00 the battle between Battle Creek Lakeview and the Maples started. At half-time, with the help of Adrian High's magician, Doug Davis, the candidates for Homecoming Queen and their escorts were introduced. Miss Colleen Smith, last year's queen, crowned Pam Arbaugh the 1970 Homecoming Queen. To end a great day, Adrian come out on top with a victory score of 22-6. Pam reigned over the dance with the Universal Family providing the music. Homecoming 1970, a mixture of the new and old, proved very successful.

The ever faithful band marched through rain to Maple Stadium.

Spanish Club's colorful float placed second in club float competition.

Education

superintendent, board of education

Being elected to the Board of Education is being elected to a thankless job. These men donate their time and expect nothing in return. The duty of this Board is to carry on all functions of the district between the annual meetings. Among these numerous functions are hiring teachers, furnishing the materials for operating the schools, and caring for school property. It is also up to the Board of Education to keep the public informed of their actions. These men perform an important public service.

what you've never done before

The duty of every teacher is to create conditions that will help the learning process to go forward. To the teachers at Adrian High School this means being not only an intellect who can make a difficult idea clear, but also a friend who is willing to help with any problem that may arise during the year. It is impossible to measure the value of the education these people give to their students.

Mr. Kohn shows that teachers need strength and stamina.

It has been said that almost everyone enjoys helping others clear up their confusions or correct their misunderstandings. Though it might be enjoyable, the teaching profession can produce difficult and challenging problems. Perhaps one way the students can express their appreciation for the efforts of their teachers is to always use the knowledge they have gained to the fullest extent now and in the future.

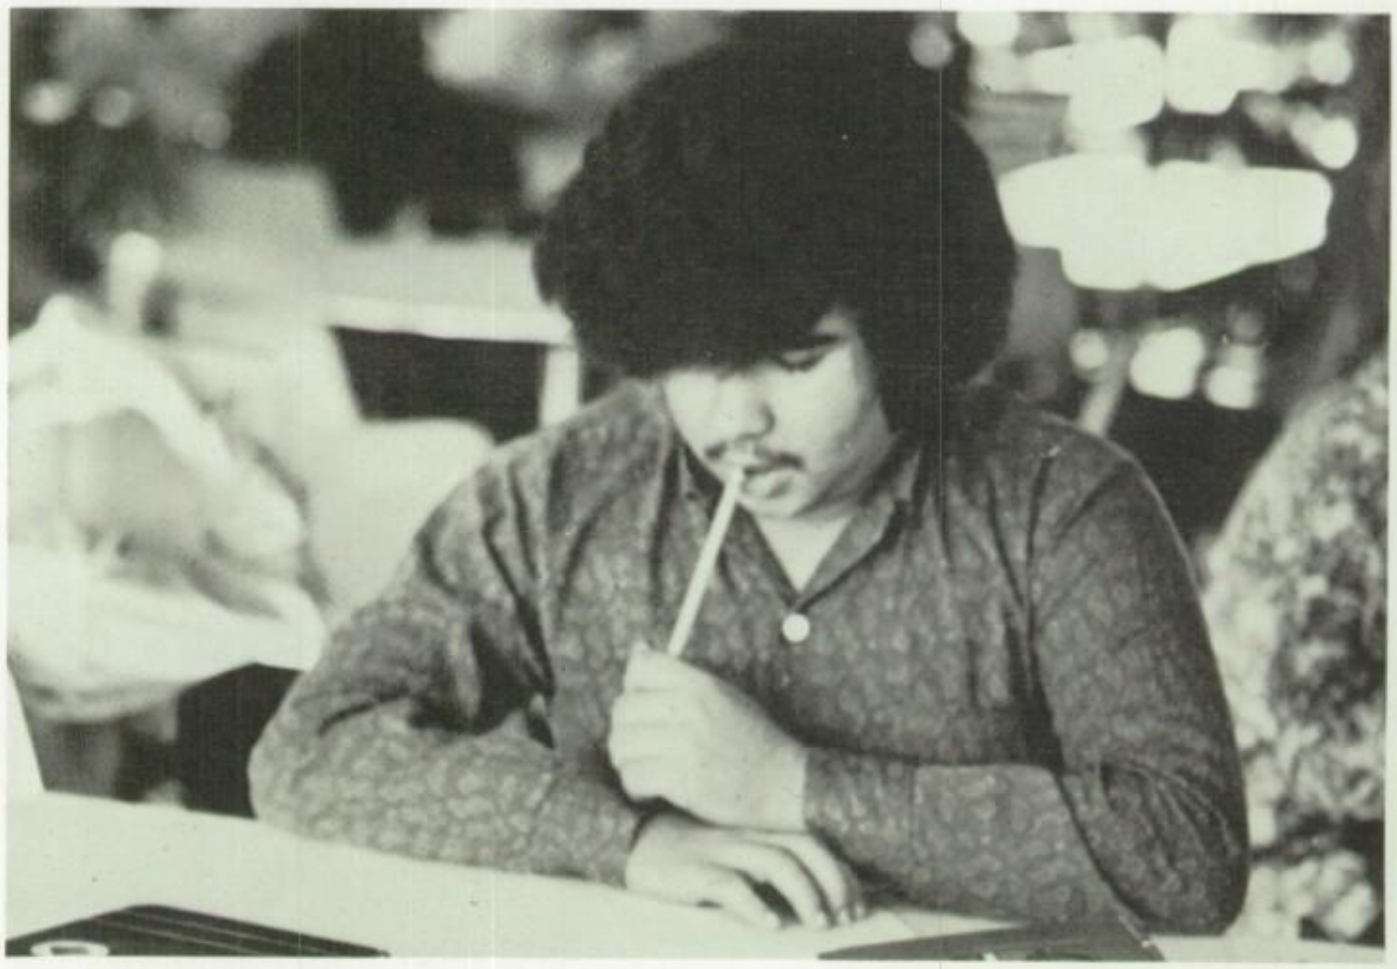
freshmen discover the real meaning of work



Frosh sweat trying to get their homework done by 6th hour..

underclassmen

Juniors

For the junior class, this year was the start of the two busiest years of high school. Last May, they ordered their class rings which finally arrived in October. Then they were officially upper classmen.

Even though the class didn't place in float competition, they showed they had the spirit by winning the spirit jug three consectutive times. The third time, the juniors broke a two way tie with the sophomores.

The big activity of the year was being host to the seniors at the Junior-Senior Prom. This years theme was "Over the Rainbow."

After a lot of hard work and planning for the seniors, the juniors look forward to their senior year.

Sophomores

After having their first two years over and last two years in the future, the sophomores' year was very successful. It started by winning the Spirit Jug at the first pep assembly. Their spirit kept flowing as they walked away with it again at the second assembly. Even though they lost it the third time; the sophomores were known as the class who didn't lose their spirit. It popped up again as the class of '73 won 1st place in class float competition. After letting up a bit, they sprang back to win 1st place in the Magazine Sale. It seemed as if the sophomores had as many "firsts" as the freshmen, but in quite a different way.

Freshmen

Being their first year at high school is not the only first the freshmen faced. They experienced their first pep assembly, sold their first magazine, cheered at their first football game as a "Mighty Maple" instead of a Jr. High "Rocket", had the fun of constructing a class float which placed second in class competition, voted for their first homecoming queen, went on their first car caravan, and to their first victory dance. They bought their first subscription to Maple Leaf and had their own Sickle for friends to sign, went to their first school play where they at least recognized the cast or maybe even knew them, and had the first football team with a 7-0 record. These were only a few of many "firsts" the freshmen went through, and these will be remembered most.

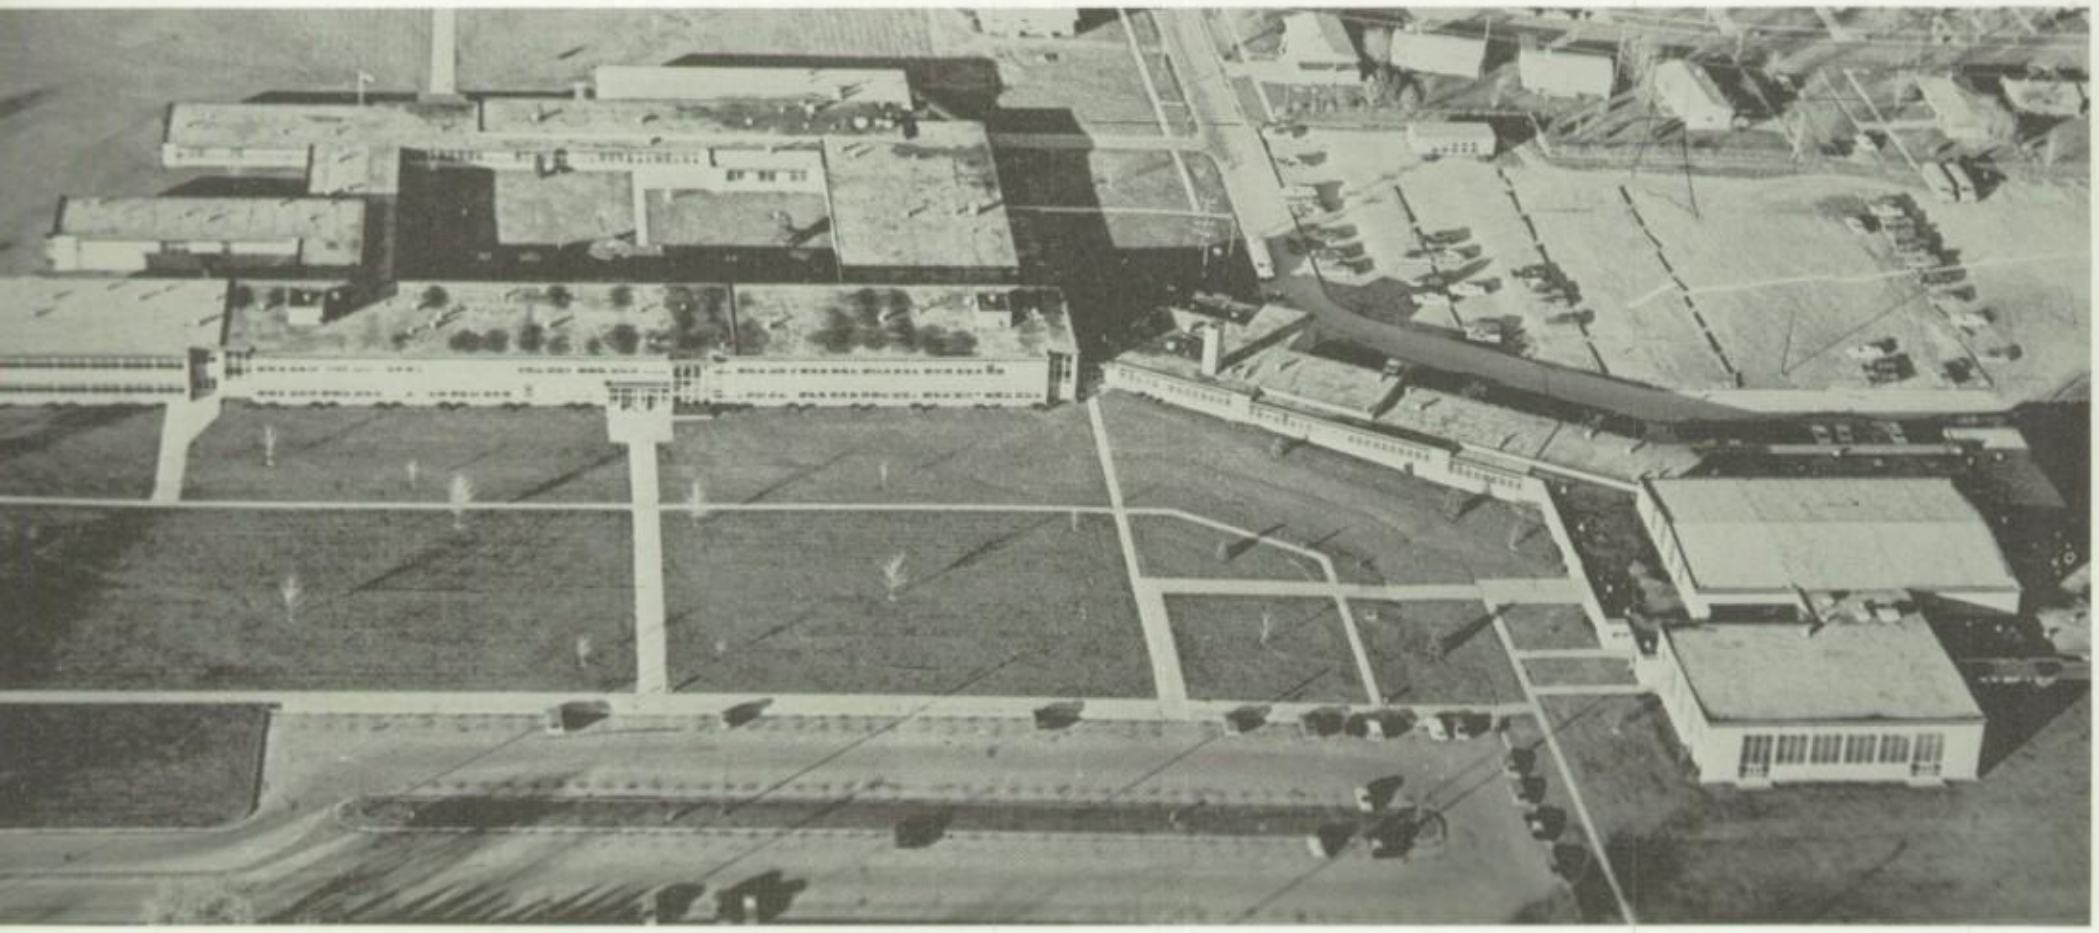
farewell



Adrian High School for four years has served as a sub culture to the Class of '71. It has been a place to learn, to make friends, to laugh, and to become involved. Even though good times must end we can not forget the memories that will echo in our minds forever.

There were many memories — the excitement of beating E. Lansing for the first time and yet feel the agony of defeat by loosing our Regional District game, attending the first Winter Carnival Dance, out selling all the upperclassmen in the Magazine Sale, choosing a class ring, or trying to give a speech without laughing, seeing a cafeteria turn into a "Southern Plantation," changing a dull, empty lounge into a great place to gather, and most of all the ending of twelve long and hard years at graduation.

For some this will be the last time they will look at A.H.S. as students so from now on it will have a different feeling and meaning to every senior. At the end of this year the seniors will prepare themselves for the future, but they will never forget the past.
